Lizzy L12- Liz McCarthy
Secretary of PHCOEM

From the Office of the Prez

Hello Phellow Parrot Heads.

It certainly has been a crazy hurricane season so far, let's hope we've seen the worst of it. As you may have heard, we have as a club donated money through PHIP's Lone Palm to help the Hurricane Harvey Parrot Heads that were affected. We also have 2 of our members Lori Jenkins and Ravi Vaithinathan who were affected by Hurricane Irma. The BOD sent them funds to help with their recovery. If you are ever interested in donating to the PHIN PHUND or learning more about it, please visit our website at <http://www.phcoem.com/phin-phun> . You are able to make a donation or a request for financial help through this site.

Thank you to those that attended the membership meeting and pool party this year, hosted by John & Jean Duffill. It was a beautiful day for it and the ice cream was real yummy. We did review some club business and enjoyed several laughs with everyone. As some may not realize, holding an annual club membership meeting is one of the requirements we have to fulfill for our PHIP charter. So we try to combine it with a PHUN event like the membership pool party. So that we may accommodate every area that we are in, we try to move the pool party around to different homes to allow for everyone to be able to participate.

As always the summer is usually a quiet time for events since everyone has so much going on as far as vacationing goes, but we were able to get a couple things in:

The Pan Mass Challenge with a wonderful brunch afterwards at Liz & Leo's house, thank god the rain held off until after the race.

The Alzheimer's Memory Walk and the Diabetes Walk on Sept 24th - this year on the same day so it was quite amazing that we were able to attend to both. This just goes to show what a wonderful dedicated group we have.

The Big Summah Raffle and the Plymouth Beach clean-up with brewery and winery tours afterwards.

Thank you also to the students from Plymouth South who helped.

Indie Ferm - lunch and beer.

It is now time for the fall line-up where a lot of our volunteering and events start to happen again. Including several fundraising events Texas Roadhouse gift cards, t-shirts for Breast cancer Awareness, SOMA Sr. Sports event, Springfield Boys and Girls Club Xmas Tree (theme this year - Parrots in Paradise), LETR Holiday Torch Run, Wreaths Across America and PHUN things like the Halloween Party with Nautical Whalers, MOTM, and spurious Phlash Phlockings.

So I hope that you are able to enjoy some of the events we have planned and that you have a Safe and Healthy rest of the 2017 year. Soon 2018 will be upon us and a whole new year of great phun and adventures.

President PHCoEM (2016-2018)

From the Office of the Vice-Prez

Good day Phellow Phlockers well, well, well what a summer! We had Lots going on house concerts to start the summer and Buffett near the end. There were trips in between, and the beach to visit, and friends to be made and old relationships built upon. Yup, this was a summer to remember! The weather didn't always cooperate and now that we are in the midst of one of the worst hurricane seasons evah, just be glad we live in New England! The membership pool party was another success thanks to our gracious hosts John and Jean! We had the Big Summah Raffle going on where we pulled the winners at the beach clean and Coast Sweep on Sept 30th. There were many cool prizes the pirate paddle, the lighted grill gazebo! Did I mention the handmade pirate paddle with shot ski glass holders? Anyway our big summah volunteer efforts at the Pan Mass were once again a huge hit in Wrentham. The riders just love our Parrot Head attire and cheerleading skills as they race to our stop. The recent weather has really tested everyone's patience and pockets. I am honored and amazed to say that our club has always been a giving and caring club not just to others but also to our members in need. There are many great things this club does that should make all of you extremely proud. Please go to our website www.phcoem.com, get on our facebook page, sign up for our yahoo groups and make this club as best as it can be for you! Thank you sincerely for all you do. You make me proud to say I am a member of the Parrot Head Club of Eastern Mass.

We are also proud to announce our Q1 2017 and our Q2 2017 PHART award winners. We usually like to present them to the parrot heads when there is a big crowd around, but coordination of getting folks together this year has been a little difficult. So please make sure to congratulate them when you see them.

The prestigious PHART award remember goes to the members participating in the most events for that quarter and have not previously received the award. Parrot Heads All Round Town or PHART should be taken seriously they have worked hard and driven all over the state to help many communities and people. That's part of what this club does we help each other and our communities become better places to live and work in. Thank you to all our members for doing what you do to help, to volunteer, to work, to flip burgers, to dance, to sing, to laugh, to cry, to cheer, to listen, to smile. Thank you all for every little thing you do.

The Q1 2017 inductees for the prestigious PHART award for the first quarter are David Stasio and Liz Muldowney and for the second quarter are Bill and Linda Hatch.

Without further ado - here they are:

The Q1 PHART winner David has been a steady presence at most of our events since becoming a member. He has been decorating Christmas trees, tubing at Nashoba for our team, flipping burgers for Special O events, working registration at the MS's and Autism walks, seen picking up Plymouth beach and has been dancing up a storm at the Special O dance at BU. He has consistently been volunteering all across the state helping our club and the community, when he can so when you see David tell him thanks and congrats on being our Q1 2017 PHART award recipient.

The second PHART award winner for the first quarter is Liz Muldowney. A really long time member of our club and working hard this quarter to make her presence known. She may have some slight difficulties getting to a few events but always manages to reach out to members and gets there when and where she is needed. We appreciate all her help and she is always smiling and willing to do whatever is needed of her no questions asked. The club has events all over the state and Liz manages to get there with bells on! Please when you see Liz wish her congrats on being our Q1 2017 PHART award winner.

The Q2 2017 PHART award winners are the Hatches.

Linda and Bill Hatch were in the club a while back and have since rejoined with our rejoice! They have been all over the state at every second quarter event including bringing their instruments and playing at socials. They have brought their niece to flip burgers, the Ukulele to play music, they helped at the Autism walk and have been seen volunteering at many events all over the state. They are a big help no matter where they go and add smiles to everyone's face wherever that may be! We appreciate Linda and Bill's enthusiasm and are lucky they came back to the club and participate no matter where the next event takes them. When you see them please say thanks and congrats on a job well done!

Here We Are....

**We are coming to the Season of Giving Thanks for all that we have...
and a time to reflect with a Grateful Heart...**

**A time when we should pause to think how fortunate we truly are...
how lucky to have been spared from such devastation as seen in Texas, Florida, Georgia and surrounding
states. Our compatriots in Puerto Rico and the US Virgin Islands have such a long way to go before their
lives can resemble anything normal again.**

**We are seeing so many hardships around us that no one could ever predict...
That is where the PHIN Phund can help our Parrot Heads In Need!
Our phabulous PHCOEM phamily was able to help Texas via the Lone Palm with
a \$1,000 contribution. Closer to home, our own PHCOEM members residing in
Florida were given a helping hand from us through the PHIN Phund**

**We need your help to keep this going strong...
During this season of Thanksgiving, we are hoping you can share what you can
so we will be able to help our own members when the sudden need arises...
You can do this by going to our web site PHCOEM.com and clicking on PHIN Phund
which will take you to a Pay Pal option or by sending a check or money order payable to: PHCOEM P.O.
Box 714, Shrewsbury, MA 01545 Please memo "PHIN PHUND"**

**Just think how a gift of even \$5 or \$10 from each of our members could quickly add up to replenish what
we have just given to those in need... Thank You.**

Meeting Of The Minds 26 th Anniversary
"We're Still Here"
November 1 - November 5, 2017 in Key West, Florida

**REGISTRATION on line and by snail mail is CLOSED
BUT....**

Announcing On Site Registration for Meeting of the Minds 2017

First you MUST be a Parrot Head Club member to attend MOTM. You know we verify EVERY club member who attends every year. This is an IRS requirement.

When we are in Key West we DO NOT have the ability to verify your membership. Come to the registration area and fill out the special **"MOTM On-Site Registration / Virtual Club Membership form"**. Please DO NOT join the Virtual Club before showing up to register on-site, as, again we will not be able to confirm your membership. Fill out the form, the registration cost is \$90.00, the Virtual Club membership cost is \$30.00, late fee is \$30.00.

You will not get a free event T-shirt or gift bag when you on-site register. Remember we had to order that stuff in mid-September and you missed the deadline. Late Registration? \$30.00 fee. Why? Because we want you to register before the deadline so we can prepare everything for you in advance. Registration is open for well over 9 months...We don't want you to register late...this is only to help people who have a situation that did not allow a regular registration during the year. So, **the cost to attend MOTM via late registration is \$150.00 on-site.**

You will walk away with a personalized credential and wristband that allows you to attend all events at the Casa Marina and even ride the shuttle all over the island during the event. Remember there is no free event shirt or gift bag with on-site registration but you are then ready to join your Phriends and see the show!!

If you want to register on site be sure to show up during regular registration hours as there are NO exceptions to these hours. We have an awesome registration crew that are all-volunteer and they need to enjoy MOTM too! **On-site registration is during the normal registration hours of Thursday 9:00 AM to 9:00 PM, Friday 9:00 AM to noon, as well as 6:30 PM to 8:00 PM, and Saturday 9:30 AM to 11:30 AM.** Remember you will be registering up front at the Casa Marina in the ballroom beside the lobby. No one will be able to enter the Casa Marina without a credential and wristband during MOTM when registration starts on Thursday.

\$150.00 cash or credit card will be accepted for registration on-site during the hours listed above. Once again, after you register you will have everything you need to attend the entire event, ride the Parrot Head shuttle around Key West from the Casa Marina, and enjoy a membership in the Virtual Parrot Head Club for the balance of 2017. There are no exceptions to this process as this is just to help folks who need to use this method of registration. See you in Key West!

If you have a registration question please email Rick Fyffe directly at rjfyffe1@gmail.com

Fins Up from Deb B. Your Charity & Environmental Affairs Chairperson

Crisp Autumn days have Parrot Heads kicking off those flip flops and sporting wool socks but this does not mean we stop helping others in need. This Fall, we have a number of charity/environmental events and we will need your help filling the roles of cheerleaders, burger flippers, lunch servers, walkers, beach combers, registrars, crafters and tree decorators. Wow, we sure do fill a lot of flip flops, I mean, shoes!

During the summer months, spirited Parrot Heads gave of their time and energy to provide lunch for and dance with hundreds of SOMA's special athletes during Track and Field Qualifiers and State-Wide Summer Games. We also raised money to support SOMA on a fun bus trip to Mohegan Sun. We helped raise money for cancer by (not) running at a 0.0 Mile Road Race in Wrentham and helped register runners at an Ice Cream Phun Run in Topsfield. Members formed teams and helped golfers enjoy a really unique golfing experience at a Tri-Club charity Tournament in Lakeville. We cheered on hundreds of dedicated Pan Mass bike riders at their rest stop in Wrentham. In Worcester, we walked as Team Parrot Head, registered walkers and encouraged walkers with snacks and water at the Alzheimer's and Diabetes Walks. Plymouth Beach was made more beautiful by Parrot heads who helped clean trash and collect that data for Coastal Sweep and the National Oceanic and Atmospheric Association.

So, when your friends ask what being a Parrot Head is all about, feel very proud when you explain about all we do for others while partying with a purpose! After all charity and environmental events, we try to plan a fun social gathering nearby so that we can enjoy each other's company after a day of helping others.

## GUESS THAT PARROT HEAD

So our last quarter **Guess That Parrot Head Who are those Super Heroes** if you guessed from left to right Carol Shapiro, Julie Vallieres, Liz McCarthy and Ryan Hill you are correct.

There is no prize or anything, just a fun little thing that everyone can play along with. We will announce in the next quarter's newsletter who the photo was. So if anyone has a photo that doesn't completely define who the parrot head is that they have taken at any event, please forward to [newsletter@phcoem.com](mailto:newsletter@phcoem.com) please include who it is so that the following quarter we can include that information.

This quarter's entry **Who is Tikimon.**

# The Adventures of Finzer, Flyer, Timon and Friends

By Mac

The boys had quite the adventurous summer months. They went to Wrigley to see Jimmy.

We had what all Chicagoans love, deep dish pizza! The boys even enjoyed pizza hats to keep the sun out of their eyes outside! There were way too many choices for beverages so we each had to try one!

We met some friends at Bandito Barney's. When visiting any new place it is best to go where the locals go! This place was great I highly recommend it if you are in the area.

We didn't make the tournament but we all had an awesome time in Chicago dining out with the locals and going to historic Wrigley for a great show.

We had about week of down time before we visited Tennessee. Finzer had his sheriff hat on in case there was any trouble with the locals. They stayed at the Tiki bar for a while until the paradise punch was gone.

There were finz to the left and finz to the right and the boys were back in town!

They couldn't resist having a photo op with their uncle at the Stonehaus winery. They especially like the Raspberry mist with a small bit of chocolate fudge yummm.

The boys enjoyed cruising along the Tennessee whiskey trail and posed for a pic at the Nashville Craft Distillery where they indulged in a tasty adult beverage.

The critters found themselves all over Tennessee riding along the whiskey trail and taste testing some of the finest whiskeys and moonshines in the country.

The summer was winding down and the Buffett concert was on a beautiful Saturday. Chomper was getting an early start to the day even after the pace yourself lecture.

The boys did manage to get to the show and enjoyed the set list very much.

After trying to reason with this hurricane season clearly this pretty much sums up what we need to do help each other get through it.

The boys have had some awesome adventures this summer and are hoping that everyone in their Parrot Head Phamily stays healthy and remembers that we stick together no matter the consequences. Please keep your finz up and your feathers flying and enjoy this awesome fall season.
