## From the Office of the Prez

Hello Phellow Parrot Heads.

Wow another year has come and gone. We finished up the year with many PHUN and wonderful adventures. In October we cheered for Team Mikey at the Out of the Darkness Walk for Suicide Awareness in CT:

We fed athletes, coaches and volunteers at the SOMA Sr. Sports Games down the Cape. Thanks to AWR for donating another grill for our use. Makes cooking a lot easier with the two donated grills.

Then we joined the Nautical Whalers Parrot Head Club and danced the night away at a Halloween party while raising \$3,500.00 and collecting ~1,100 lbs of food for the Salvation Army.

Our own Tiffany and Shawn won an award for most original costume.

In November several of our Pholks went to MOTM and had a great time. They did the annual blood donation and of course visited the usual hunting grounds and had loads of PHUN. A special thanks to Marcia Bixby, Carol Shapiro, Julie Vallieres and Lori Jenkins who donated blood as part of TEAM PHCOEM during the Blood Drive at MOTM.

We did the Springfield Boys and Girls club festival of trees again and got the following from the winners of our trees:  
*Thank you for all of the wonderful items you donated to the Boys and girls club Festival of Trees. My children and I were the winners of your trees and amazing gifts. Thank you very much.*

To end November, we did the Best Buddies 5K walk and went out for a nice brunch afterwards.

For the month of Dec we had the LETR Holiday Torch run.

And we ended the year full of pun and adventures with laying Wreaths on the Veteran's graves at the Bourne National Veteran's Cemetery and we went out to Lindsey's for a yummy lunch.

I am so proud of our club and all that we do to help others and make this world a better place. You are all the true meaning of giving.

Thank you for being you and for giving of yourselves continually.

I look forward to what 2018 will bring for all of us as we enjoy new adventures and we start working on our 2020 NEPHC Convention. May we all have a safe, healthy and happy 2018.

Phins Up

### **From the Office of the Vice-Prez**

Happy fourth quarter fall and holiday season to all our Phellow Phlockers of PHCoEM and all over the world. Well my-my haven't we all just been the busiest Lil elves not just this last quarter but all year long! Someone asked me just last week who we are and what do we do? So I proceeded to explain all the fun things we do as a club and gave them a business card with our mission statement on the back. They were amazed and extremely happy to know that there is still all this good in the world despite all the bad news and daily doom and gloom! I can proudly say this, all of you represent all that is good in this world, an angel in tropical shirts if you will and please, please don't forget that.

When things are not going your way and you have a bad day or get discouraged because of all the bad news around you just remember someone has it far worse than you. What our club does matters, what you all do, no matter how big or how small, or how long or short the time you spend matters. It means something special to someone, a person less fortunate or down on their luck, or natural forces have dealt a bad hand. ALL of you mean something very important to someone out there and maybe you haven't even met them yet!

So please keep this in mind going forward and remember a Lil giving of yourselves goes a loooong way! Proud to say I am a very small part of such an awesome group of people! Thank you for all you do! Merry Christmas and wishes for a great new year, and I hope to see you all soon at upcoming events.

The Q3 2017 inductees for the prestigious PHART award are Nancy & Tony Butkus.

Gosh how time is flying by. I could have sworn we just announced our previous winners and our third quarter has passed us by. So without further ado our latest and greatest PHART award winners are Nancy and Tony Butkus. They have become quite the members especially as of late! I think they may have attended almost every event we had this quarter. No matter where it was held there was Nancy and Tony lending a helping hand. Cheering on riders at the Pan Mass Challenge in Wrentham, helping at registration at the Alzheimers Memory Walk in Worcester, picking up trash at the beach in Plymouth, or flipping burgers at Special Olympics in Barnstable. The two have become quite the Parrot Heads All Round Town. They came to the Halloween Party in one costume and left in another! They wore the PHART shirts and shorts proudly all night at the dance. They love coming to our events and helping in any way they can. They don't look for recognition and simply stated they do it because they can. It makes a person feel good knowing you have helped someone less fortunate no matter what it is. That is what this club does. It is why you should all be proud to be part of such a great phun organization. I know I am! I am so happy to say Nancy and Tony have made an impact on many events this third quarter and they put themselves in the PHART award category! Thank you! Please when you see this couple say wooppooo wooppooo thank you.

## From the MemberShip... Here We Are....

It's that wonderful time of the year.. A new one is upon us full of hope and good wishes..

Also a time to renew your membership for 2018!! Our dues are still the lowest amongst other clubs.. Single membership fee is \$20 and a Family/Couple membership remains at \$25.. not a bad deal at all!!

We do have a few changes coming up.. some which have already mentioned.. We will no longer send out new credentials for renewing members.. of course new members will still get them.. Should you be in need of a replacement, please do not hesitate in letting me know so we can take care of that.. This will help in keeping our dues low! The next change we need is help from you!! Please take a few minutes to fill out our renewal form which can be found on our web site.. This can be done at the same time you are paying by Pay Pal or it can be downloaded if you prefer to use snail mail and please enclose it with your check!

We really need your help in keeping our data base accurate.. We have lots of things coming up and our turn at bat for the NEPHC will be here in a heart beat!

We live in fast ever changing times.. People come and go so quickly.. We change emails and cell phone numbers quite often and may forget to let the club know.. Some members have had webtv listed for themselves for years or a non-existent land line on file... If you do not want to list any various contact info that's fine too, just let us know on your form..

This form has been out there for a while and a Big Thank You to those of you who have used it but others may not be aware..so now you know!!! Looking forward to seeing the all your forms coming through... Thank You!!!  
\* If you are still in need of a belated Christmas gift or something for Valentine's Day, why not a PHCOEM membership?

Start with a Grateful Heart

A beautiful new year has just begun full of promise..

Please take a moment to reflect with a Grateful Heart.. This year when you think of how we can make a difference in someone's life, please consider donating to our PHINZ Fund. We have seen so many hardships around us that no one could have predicted.. That is where the PHIN Fund can help our Parrot Heads In Need!

Our fabulous PHCOEM phamily was able to help Texas via the Lone Palm with a \$1,000 contribution. Closer to home, our own PHCOEM members residing in Florida were given a helping hand from us through the PHIN Fund !

We need your help to maintain our fund and keep this going strong... Please give what you can so we will be able to help our own members when the sudden need arises... You can do this by going to our web site PHCOEM.com and clicking on PHIN Phund which will take you to a Pay Pal option or by sending a check or money order payable to: PHCOEM P.O. Box 714, Shrewsbury, MA 01545 Please memo "PHIN Fund"

Just think how a gift of \$5 or \$10 from each of our members could quickly add up to replenish what we have given to those in need... Thank You.

We are All in this Together... One Fabulous Phamily... One Grateful Heart...

## Fins Up from Deb B. Your Charity & Environmental Affairs Chairperson

**“Lend an hour, lend a day, wrap yourself to give away...”**

-Peter Mayer, “This Christmas”

This sentiment from one of my favorite Stars and Promises songs by Peter Mayer says it all To me, it talks about what our membership does year round, to do for others in need. Whether it's time spent cleaning the beach, registering and walking for charity, flipping burgers, decorating trees, laying wreaths, playing golf, helping canoers navigate the course, playing tunes for and dancing with special athletes, riding the casino bus, manning water stops and cheering words of encouragement to bicyclists, runners and walkers at events, Club members have figuratively wrapped themselves up to give to hundreds, maybe thousands of people in our little corner of this great country! For this I say, THANK YOU ALL and I LOVE US! Happy Holidays and Happy 2018 to our Phabulous Parrothead phlock!

# *The Adventures of Finzer, Flyer, Timon and Phriends*

By Mac

This episode finds our furry friends starting out in Plymouth at our annual beach cleanup. We had an awesome turnout to pick up this year and even recruited a dozen oceanography students from south Plymouth High School to help in the coastal sweep. This was an even more important year for us all to step up and help as we had quite the tumultuous hurricane season. We found traps ripped from their lines and washed ashore and all kinds of debris all along the shoreline. We picked up over 15 bags of trash and other debris from the ocean that washed up on the beach. The NOAA and Coast Sweep sent us a big thank you for helping keep our oceans and waterways clean. The students had fun and already plan on helping again next year.

We then proceeded to the dirty water distillery for some libations before we headed over to Indie Firm Brewery. We gave out the Big Summahhhh Raffle prizes and had some fun in the sun! We had lunch and some freshly brewed beer from Indie Fermentation. After our reggae accident and parrothead CSI investigation it was found there was some sort of cheating while a game of battleship was going on! Come on who does that?

The snarky sharky running with the battleship says "It's all in a day's work and really don't we love that Dirty Water!"

Ok so after naming those parrotheads the club moved onto its next venture in October to the Special Olympics Sr. Games down the cape. The boys yet again found themselves getting into trouble at the Cape Cod Brewery. The critters love their popcorn and their favorite Oktoberfest was freshly brewed. The brewery boasts of an indoor and outdoor patio area seating with a bar inside for tastings and tours and a small store for all kinds of merchandise. We found this place after the last club event down the cape and have enjoyed stopping in there after each event ever since.

The club got together with the Nautical Whalers for one heck of a Halloween party down in Mattapoisett! What a great time, the costumes extravagant, the music awesome, and the all the phriends the best of times! The boys enjoyed meeting some newbies and playing with them while everyone else was enjoying the phun. We had bloody bikers, king moon racer from Rudolph, the minions, a big pumpkin, the devil and the angel himself! What a great night for their charities and the donations for the food pantry and hurricane relief!

November brought about one of our favorite events the tree decorating for the Springfield Boys and Girls Club. The club outdid itself this year exhibiting the cluster of trees with colorful birds and bird cage to go with our tropical theme! The winner took the time to write a nice thank you letter to the club stating her and her children were thrilled when they found out they won our trees! All the work that gets put into the trees to make people so happy to win one is awesome especially

when you see a child's smile when they see them.

The club had many other events this quarter including an Autism walk that moved to Boston Common this year.

The LETR Torch run up in Peabody for Special Olympics where we helped pick-up the food and deliver it to the runners. Then the leftovers got delivered to the shelters in the Beverly area. All this good this time of year makes for a warm fuzzy feeling to everyone!

Even in the more solemn events like Wreaths Across America you can feel the love. Including Finzer, Flyer and all the critters!

Thank you to all our members for what you do it truly makes a difference.
